Just a friendly reminder: to remain an active member of ULSNA, you must attend ⅔ meetings and earn 1 community service point per semester. If either of these are not met, points will be cut in half.

1 FULL point needs to be earned

Members who have missed the first 2 meetings this semester have already gotten points cut in half :(

At the end of the semester, meeting attendance and whether or not members earned their 1 community service point will be looked at and points will be cut accordingly.
